Junior High School Building Project Com and Touch the Future!

Alhamdulillah, Muslim Center has been working for Islam and serving the Community since 1975. *MashaAllah*, Muslim Community is growing and so is your Center. As you know the construction of Junior High School Building is on going and almost 85% of the project is complete; but all the funds have been used up. To expedite the completion of this project, funds are urgently needed.

Rasool (SAS) Said: "Those who are here bring message to those who are not here."
Shall we not prepare our present generation to bring the "Message" to our future generations? Allah is providing us with the opportunity to:

"TOUCH THE FUTURE!"

The opportunity is knocking at our door and telling us "Come and Touch the Future."

Please join us to attend with your family and friends our Junior High School Building Project Fundraising Event to expedite the completion of the Building and earn multiple rewards from Allah S.W.T:
